

# MEDAC Recreational Fisheries WG working plan 2018

The WG4 will compile existing papers on Recreational Fisheries (Mediterranean or marine related), identify scientists working on RF, identify existing platforms for knowledge exchange and classify type of information about papers compiled and assess validity (currently useful, flaws...). Finally, the WG4 will identify research need for the Mediterranean RF.

## WG4 2018

MEDAC MEMBERS WHICH ASKED TO BE INCLUDED IN THE MEDAC RECREATIONAL FISHERIES WORKING GROUP IN 2018.

# WG4 2018

IN YELLOW, MEDAC MEMBERS WHICH GAVE THEIR CONTRIBUTION TO THE JOB OF THE WG4 IN 2018.
